Dear Mr Boyle (Toby)

Event Golden Wedding
August 25th 2006

We would like to express our appreciation to you and your band, and especially your fabulous young lady vocalist for your performance at the above event. The evening was a brilliant success. A lovely setting, good food, but the music made it more than an evening to remember. Once you started playing, that dance floor was packed for the rest of the evening until 1.am. and even then we did not want you to go - and for a group of people in their swinging sixties/seventies that speaks volumes. You made our evening perfect and from all the letters we are receiving, you did that for everyone else as well. You are a very talented and professional group, and we feel fortunate that we were able to have you play at our very special occasion

Thank you

Regards.
