Dear Mr. Siddons,

This is rather a belated letter of thanks for organizing such a brilliant band for my daughters wedding reception in a marquee at our home in August.

Please pass on our thanks to the Masqueraders. They were fantastic and exceeded all expectations. The dance floor was full to capacity and they created a superb atmosphere; no one wanted them to stop! We have had many compliments on finding such a good band with such a superb lead singer, who coped admirably with a rather over-enthusiastic guest - would be singer. We were delighted they gave us an evening to remember.

Yours sincerely

Jean Johnson
